

# Assisted Living

*When a little help with daily activities is all that's needed for a more independent life.*

*Where healthy living begins.*

# Assisted Living:

*Progressive, personalized care.*

For those who need a helping hand with daily activities, assisted living may be the right choice. It's the ideal combination of individualized care, professional expertise and warm neighborhood surroundings.

Bed-making, medication supervision, therapy services — whatever is needed, our well-trained and dedicated staff is there. We make it easier to feel comfortable and secure, offering support of dignity and respect for independence.

From craft projects to civic responsibilities, we help people indulge in the infinite variety of things that matter most to them.

## All the comforts of home.

Each apartment is designed to enrich daily living, offering the luxuries of home without the burdens of home maintenance. That leaves more free time for engaging in activities, visiting with friends and family, and even relaxing.

## Just the right amount of support.

We take a personalized approach to care with our innovative Levels of Wellness and Care Programs. We offer just the right amount of support, while ongoing professional assessments and adjustments address changing needs.
