November 16th to November 22nd

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
November 16th	November 17th	November 18th	November 19th	November 20th	November 21st	November 22nd
2:00pm Movie Showing The Pink Panther Comedy 1h 53m (1964)  In this first film of the beloved comic series, dashing European thief Sir Charles Lytton (David Niven) plans to steal a diamond, but he's not the only one with his eyes on the famous jewel known as the "Pink Panther." His nephew George (Robert Wagner) also aims to make off with the gem, and to frame Charles for the crime. Blundering French police inspector Jacques Clouseau (Peter Sellers) intercedes, but finds his career -- and his freedom -- jeopardized.		7:30pm Movie Showing Lee War/Drama 1h 57m (2024)  Lee, the directorial feature from award-winning Cinematographer Ellen Kuras, portrays a pivotal decade in the life of American war correspondent and photographer, Lee Miller (Kate Winslet). Miller's singular talent and unbridled tenacity resulted in some of the 20th century's most indelible images of war, including an iconic photo of Miller herself, posing defiantly in Hitler's private bathtub. Miller had a profound understanding and empathy for women and the voiceless victims of war. Her images display both the fragility and ferocity of the human experience. Above all, the film shows how Miller lived her life at full-throttle in pursuit of truth, for which she paid a huge personal price, forcing her to confront a traumatic and deeply buried secret from her childhood.		7:30pm Movie Showing A House of Dynamite Thriller/Drama 1h 52m (2025)  From Academy Award® winning director Kathryn Bigelow. When a single, unattributed missile is launched at the United States, a race begins to determine who is responsible and how to respond.		3:00pm Movie Showing My Sailor, My Love Drama 1h 43m (2023)  Howard (James Cosmo), a retired sailor and widower, lives in a house by the sea. His adult daughter Grace (Catherine Walker) hires a caretaker for her father, a lady in her mature years, Annie (Brid Brennan). Recluse and stubborn, Howard rejects Annie's company, but eventually opens his heart and gives his final love a chance. Grace has her own crisis to unravel and finds her father's romance difficult. Her father's new love reminds her of the affection she missed, as a child and now again as an adult. Annie must face the complex father-daughter relationship, while Howard and Grace must realize their own imperfections.
